Info

The guys of Society-OFF have been touring unremetingly since 2006. Apart from more than 150 shows throughout Germany the four are also proud to present their first full-length album. Furthermore there is a quite impressive list of bands they have supported so far. During the last years they have stood on the same stage with Strike Anywhere, Agnostic Front, No Use For A Name and many others. In September 2011 they started their own tour through Germany on the occasion of the album „Carry Or Collapse“. Playing live is what defines them! So if you're into energetic punk rock you shouldn't miss one of their shows and check them out! Tour dates are available online [society-off.com] and on all relvant social networks.

Catering and backstage

Please consider that we might be away from home for quite a while when we're on tour. All we ask for is the possibility to feel at home. We're six people and this is why we'll need six warm meals – meatless dishes are appreciated, too. Fast food, such as McDonalds or Burger King, isn't really our thing, but Pizza would be okay. Perfect would be some drinks as well, no matter if soft drinks, water or beer. On stage it is important for us to have a few bottles of water [no gas]. The backstage room should be heated and provide enough space for our luggage. We are happy to share this room with other bands, but we need to be sure that nothing will be stolen or broken – organisers will be liable. Besides that we insist on a smoke-free backstage room!

Parking

We'll arrive in a van with a complete backline. For loading and unloading a parking space in front of the location would be great. Afterwards we'll be happy to drive the van to a safe parking lot nearby.

Merchandise

We will need some space for our merchandise. We sell CDs, shirts, buttons, stickers etc. You agree upon leaving the sales revenue to us.

Sonstiges

We are very easy to please, but we are not undemanding!
Staying overnight at a private place – great! On the location's floor – reluctantly!
Backline sharing – sure! Lend out our amps – sorry, no!
